

# Compact Codebook

## CogEcon Public Core (Version 1.0)

### Table of Contents:

I. IDs and demographics (from CogUSA).....	variables 1-15
II. Sample/system variables.....	variables 16-39
III. Constructed variables.....	variables 40-61
IV. CogEcon 2008 survey content.....	variables 62-337
V. CogEcon 2009 survey content.....	variables 338-582

#### **KEY:**

Variable = name of variable in dataset

Obs = number of non-missing observations

Unique = number of unique responses

Min = minimum value

Max = maximum value

Label = the variable's label

Var #	Variable	Obs	Unique	Mean	Min	Max	Label
