

RAND HRS 2006 Fat File

July 2022

1). Important Things to Note:

- a). The RAND HRS 2006 Fat File is based on HRS 2006 Core (Final V4.0, August 2021) data, and the Tracker 2006 (V1.0, October 2007) file.
- b). RAND HRS Fat File documentation can be found on the [RAND Center for the Study of Aging](#) website. Please note, however, that these documents are unlike traditional codebooks in the sense that they do not contain information about specific variables from the survey (e.g., frequencies, question text, etc.). For this, we recommend that users examine the [HRS Codebooks](#) and [HRS Questionnaires](#) for the key variables under study.
