

## RAND HRS 1992 Fat File

May 2007

### 1). Important Things to Note:

- a). The RAND HRS 1992 Fat File is based on HRS 1992 Core (Final V1.01) data.
- b). The RAND HRS 1992 Fat File includes all the raw variables.
- c). RAND HRS Fat File documentation can be found on the [RAND Center for the Study of Aging](#) website. Please note, however, that these documents are unlike traditional codebooks in the sense that they do not contain information about specific variables from the survey (e.g., frequencies, question text, etc.). For this, we recommend that users examine the [HRS Codebooks](#) and [HRS Questionnaires](#) for the key variables under study.
