

RAND HRS 1994 Fat File

June 2006

1). Important Things to Note:

- a). The RAND HRS 1994 Fat File is based on HRS 1994 Core (Final V1.0, September 2004) data, and the Tracker 2.0 file.
- b). The RAND HRS 1994 Fat File includes all the raw variables.
- c). RAND HRS Fat File documentation can be found on the [RAND Center for the Study of Aging](#) website. Please note, however, that these documents are unlike traditional codebooks in the sense that they do not contain information about specific variables from the survey (e.g., frequencies, question text, etc.). For this, we recommend that users examine the [HRS Codebooks](#) and [HRS Questionnaires](#) for the key variables under study.
