ABOUT THIS SURVEY

This Life History Survey covers different topics than the one you completed in 2015. Together the 2015 and this survey will provide information about important things that happened earlier in your life and help us to understand better how you are doing now.

This survey is not meant to be a test of your memory.

However, we would like you to try to be as accurate as possible.

You may find it useful to consult your spouse, another family member, or some personal files, photos, or notes as you go through the questions.

We hope that you will find this survey interesting to complete. As always, your answers are extremely important to us. Please remember that your participation is voluntary and that you may skip over any questions that you would prefer not to answer.

Please return your completed Life History Survey in the pre-addressed postage paid envelope. If you have any questions, please feel free to call us at 1-866-611-6476.
